MENINGIOMA SYMPOSIUM 2022

15TH OCTOBER 2022
LIVERPOOL

BIMS are delighted to announce the return of the annual meningioma symposium that will cover the latest advances in meningioma research.

There will be a consultant-led teaching session open to trainees in the evening on 14th October, followed by a conference dinner.

Free paper submissions are welcome on clinical, laboratory and planned meningioma research.

Target audience:

- Neurosurgeons
- Oncologists
- Radiologists
- Researchers
- Neuropathologists

To register interest or submit an abstract, email:
