

Everything You Ever Wanted to Know About: The Role of Radiology in Cancer Diagnosis and Treatment In-Person Study Day

Saturday 11th March 2023

Audience:

This one-day course is aimed at all radiographers, nurses, doctors and all other clinicians wanting to know more about the role of imaging in cancer care.

Aims:

This study day will provide a greater understanding of the role of radiology in the diagnosis and treatment of cancers and the role that diagnostic imaging plays within this.

Cost:

£120 Full Delegate
£ 80 Student

Venue:

National Army Museum
Royal Hospital Road,
London SW3 4HT
